American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized in the business as durable and strong machines which meets the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company that is currently also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could provide parts, warranty service and equipment for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been utilized by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
