

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory truly makes industrial sweeping tasks a lot easier to do. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water without difficulty. This attachment is often used in order to clean debris from parking lots, warehouses, construction sites, docks and nearly everywhere it is considered necessary. The lift truck sweeper is a low maintenance attachment which uses quick-tie tine products to effortlessly connect to the lift truck.
