

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

When required, the staff members within TREK and its several dealer members in both technical support and parts will be available. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines working and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cost of cleaning. The service, the product and the price all work as one so as to make them the leader in the business.
